EVEREST

3m High
INFORMATION

The Everest Roll Up banner is made of durable aluminum with magnetic side connection parts, featuring 3m height. At the top of each banner stand, there are patented magnetic connectors that allow you to join together multiple units with a simple "click". Because of its size, it is a great alternative to pop up displays and trade show booths. Set up is quick and easy, and users can adjust the height tilting lowering the Roll Up Banner. Additionally, a canvas carry bag is included. This Roll Up makes a great graphic mural in trade show booths, in press conferences, convention centers, in malls, expositions, retail stores or any other media event.

INFORMATION

If you are looking for something bigger, the Mont Blanc Roll Up Banner is 2000mm wide, featuring an adjustable height up to 3060mm. It is the perfect alternate to a trade show booth or pop up display. Due to its large height, assembly is easiest when you set up along the floor and then stand the display up. Also thanks to its telescopic capacity, the roll up Mont Blanc can be used in any other smaller places, with a minimum height of 1700mm. It comes with a carrying bag. It is perfect for trade shows, convention centers, for press conferences, expositions or for media events.
